Dear Mr Daniel Gvirtzman

Our Ref: 2001193360

Ultra Low Emission Zone (ULEZ) – Compliance Registration

Thank you for your application to register vehicle X366BHO with us.

We can confirm that this vehicle meets the required standards, is exempt from the scheme or is subject to a 100% discount. This means you will not need to pay a ULEZ charge to travel in the zone.

You will still need to pay the Congestion Charge and the Low Emission Zone charge (if applicable to your vehicle) if you drive in the zone, or you will receive a Penalty Charge Notice.

IMPORTANT NOTICE

The compliance status of your vehicle for the ULEZ has been calculated based on the information you provided. It is your responsibility to ensure the information you provide is accurate. Every effort is made to ensure that the information we provide you is correct at the date of our response. However, we provide no warranty as to the accuracy of the information and accept no legal liability or responsibility for its accuracy. If you are in any doubt over your vehicle's Euro emission standard, please refer to your vehicle registration document – also known as a V5C – or contact your vehicle manufacturer.

If you have any questions, please visit tfl.gov.uk/ulez.

Yours sincerely
